1 Purpose

The purpose of this policy is to define the basis on which learners will be charged for their tuition and examinations and to detail the procedure for the appeal.

2 Scope

This policy and procedure applies to all learners enrolled on courses provided by Warrington & Vale Royal College with the exception of learners enrolled on Higher Education (HE) courses. Refer to the *HE Tuition Fee, Break in Learning and Refunds Policy* for information relating to HE provision.

3 Responsibility

Overall responsibility for the implementation of this procedure lies with the Deputy Principal, Finance and Resources, supported by the Director of MIS.

4 Procedure

4.1 General Principles

- 4.1.1 For eligible learners, the Education and Skills Funding Agency (ESFA) will make a contribution towards the cost of a Learner's programme. In some cases, full funding is available and no fees are payable by employers or individuals. In other cases, employers and individuals are expected to contribute to the cost of learning – this is referred to as co-funded. The College will charge learners eligible for co-funding a minimum of 50% of the fully funded rate for any learning aim funded by the ESFA.
- 4.1.2 Curriculum Directors (CDs) are responsible for agreeing fees for ESFA provision in their areas of the curriculum. CDs wishing to charge fees below the assumed fee income (AFI) for any of their courses must obtain the prior approval of the appropriate ELT member. Fees below the AFI may be charged to ensure tuition costs are comparable to those of local competitors. Any fees charged above the AFI must be justified by market conditions and will be approved by the Director of MIS.
- 4.1.3 Full cost (self-financing) provision which cannot be funded by the ESFA will be calculated on the basis of the costs of delivery plus overheads in accordance with the full cost template.
- 4.1.4 Full-time FE students wishing to take additional part-time courses will be charged the fees quoted in the prospectus.
- 4.1.5 Unless otherwise stated, tuition fees relate to a single academic year only. Learners undertaking courses of more than one year duration will be required to pay further fees at the start of each academic year. Tuition fees for further years will not normally increase by more than 5% of the previous year's fee.
- 4.1.6 Eligibility for funding, fees and loans may vary between years depending on a learner's age and personal circumstances. Learners will be advised of the

current position at the time of enrolment. Learners who are eligible for fee remission/funding in the first year of their course may not be eligible for fee remission/funding in subsequent years.

4.1.7 A refund or waiver of remaining instalment payments will be applicable in the following circumstances:

- The course is cancelled by the College.
- The course day or time is changed which prevents the learner's attendance.
- The learner has paid a fee but is entitled to remission.
- The learner withdraws prior to 5 working days of the course start date.
- Where a learner transfers from one course to another, the difference in course fees will be refunded/waived where applicable. The learner will pay the difference should there be a higher fee.
- Where a formal complaint has been upheld in relation to the quality of the course and agreed with the Assistant Principal: Quality, Teaching & Learning.

4.1.8 An administration fee of £30 will be deducted from all refunds where the learner has requested withdrawal, unless a complaint, made through the official complaints procedure, has been upheld. Where fees are £30 or less no refund will be due.

4.1.9 Refunds will be processed within 14 working days of receipt of the payment voucher by the Finance department.

4.1.10 Exceptional circumstances:

- Refunds/ fee waivers outside of the above criteria will only be made at the discretion of the Assistant Principal – Quality, Teaching & Learning and this will only be under exceptional circumstances. Requests outside of the above criteria must be submitted to the Finance department via an official Refund/Fee Waiver Request form.
- The College cannot accept responsibility for changes in learner circumstances brought about by employers, illness etc. Any claims for refunds/fee waivers in these cases will be individually assessed by the Assistant Principal – Quality, Teaching & Learning whose decision is final.

4.2 Definition of Learner Age

4.2.1 For learners (excluding apprentices) aged 16-18, a learner's age will be their age on 31st August in the year they start their programme of study.

4.2.2 For Apprenticeships (all ages) and classroom based provision for learners aged 19+, a learner's age will be taken as their age on the day their provision starts.

4.3 Young People aged 16-18

- 4.3.1 In accordance with ESFA regulations no compulsory enrolment, admin, registration, assessment, exam fee or Disclosure and Barring Service (DBS) check will be charged to learners aged 18 years of age or under.
- 4.3.2 Learners who have turned 19 but started a 2 year study programme when they were 18 still qualify as fully funded.
- 4.3.3 The College may charge learners aged 16-18 for exam and re-sit charges if they do not achieve the required attendance levels or progress. Any part time courses attended by a learner already attending a programme of study with Warrington & Vale Royal College or alternative provider will pay a fee in accordance with the fee structure.

4.4 19-24 EHCP

- 4.4.1 For the purpose of funding and fees, learners aged between 19 and 24 on 31 August in the year they start their programme of study who have an Education, Health and Care Plan (EHCP) will be treated the same as those aged 16-18.

4.5 Adult Learners

- 4.5.1 Adult learners taking courses funded by the ESFA will be charged a tuition fee and an awarding organisation fee for any qualification(s) taken. The College will claim full funding for adult learners from the ESFA wherever possible in accordance with the ESFA Adult Education Budget (AEB) funding rules 2021 to 2022.
- 4.5.2 No compulsory additional charges relating to the direct costs of delivery will be made to adult learners where the College is claiming a full contribution to the costs of the learner's programme from the ESFA. Direct costs include administration, registration, assessment, materials or examination costs. They can also include charges for ID cards, uniforms, tools and materials where without them, a learner cannot complete and achieve their learning aim. Charges will be made for replacement items.
- 4.5.3 Learners that do not meet funding body eligibility criteria will be charged a fee that reflects the unsubsidised cost of the course and anticipated support requirements. The fee charged will approximate to the funding that the College would have received from the relevant funding body for a fully subsidised eligible learner for the course plus any funding associated with anticipated additional support. The fee may be varied at the discretion of the relevant Assistant Principal and with the authorisation of the Director of Finance.
